“Worship God as You Work”

A short devotional

By ALTHEA DEBRULE

“Put God in charge of your work, then what you’ve planned will take place.”

([Proverbs 16:3](#) The Message)

No matter what you do, you can worship God as you work. God gives each of us a task to perform that’s called work. No matter the size or complexity, when we commit our duties and responsibilities to God, He manages the outcomes ([Proverbs 16:3](#)). Today’s **short devotional** focuses on how we can worship God amid the hustle and bustle of work.

Different Kinds of Work

There is an unlimited supply of the kind of work we can choose to do. As a result, our work can be exciting as we give it to God and let Him produce the outcomes through us. We are partners with Him in our work and don’t have to struggle with the tasks. He walks alongside us as we cooperate with His Will.

Worshipping God in Our Work

Work is not routine to God. He created it for enjoyment and satisfaction. The work we choose is not by accident. This short devotional encourages you to think of the jobs you have performed in the past or the one you have today. God wants you to take pleasure in your work. It is His provision for your daily needs.

When you work enthusiastically, you worship God as you work. Every time you commit a task to Him, and then perform it with your whole heart and the excellence He gives, He receives glory and honor.

Based on this short devotional, what ways can you worship God as you work today?

DWM NEWS

Hi Ladies,

Winter has returned. However, eight of us braved the chilly wind to attend our January meeting on the 19th. Our lesson was quite good, and I am sorry some of you missed it. Hopefully more can attend in February.

Another bag of empty pill bottles was delivered to Unleashed Pet Rescue in Mission. Thanks everyone and continue saving all medicine bottles, even over-the-counter pills. Another thing, the "Least Coin" container is about 75% full. We need to gather more pennies to fill it up. "Fill it Up". "Fill it Up".

February is usually our "Blanket" month, but we voted to postpone it until March due to all the other things happening in February. Our Church birthday and installing a new minister.

Our income this month was \$44.00, and we had no expenses. This brings our balance up to \$1,870.08.

That's all for now. Stay warm and stay safe.
